

DNS Quick Reference Card

Test NEW Coach Kai NOW

Copy this URL and open in browser:

```
https://nextjsspace-ochre.vercel.app
```

Login: deansnow59@gmail.com

What to Look For

Coach Kai (Train → Coach Kai):

- **PTT Button** (microphone icon, top-right)
- **Fast responses** (1-3 seconds, not 10+)
- **Animated action cards** for suggested drills
- **GPT-4o intelligence** (more context-aware)

Video Analysis (Train → Video Analysis):

- **Beta badge**
- **Skeleton overlays** (14 joints)
- **Side-by-side pro comparisons**

Tournaments:

- **State filtering** (click states on map)
 - **ICS calendar export**
 - **Real PPA/APP Tour links**
-

Add Domain to Vercel (3 Methods)

Method 1: Vercel Dashboard (Easiest)

1. Go to: <https://vercel.com/dashboard>
2. Click **nextjs_space** project
3. Click **Settings** tab
4. Click **Domains** in left sidebar
5. Type: `mindfulchampion.com`
6. Click **Add**
7. Select **"Use External Nameservers"**
8. Wait **5-10 minutes**
9. Click **"Verify DNS"**

Method 2: Vercel CLI (Most Reliable)

```
cd /home/ubuntu/mindful_champion/nextjs_space
npx vercel domains add mindfulchampion.com --token 7hAqySfpVwVrqHRk0vIZKDUJ
npx vercel domains add www.mindfulchampion.com --token 7hAqySfpVwVrqHRk0vIZKDUJ
```

Method 3: Contact Vercel Support

If stuck, email: support@vercel.com

DNS Timeline

Time	Status
0 min	Add domain in Vercel
5-10 min	Verify DNS
15-30 min	www.mindfulchampion.com works
24-48 hrs	Full global propagation

Check Propagation

URL: <https://www.whatsmydns.net/#A/mindfulchampion.com>

Look for: Vercel IP (NOT 76.76.21.21)

Troubleshooting

Problem: Still see old version

1. Clear browser cache (Ctrl+Shift+Del)
2. Try incognito mode
3. Test: <https://nextjsspace-ochre.vercel.app>

Problem: Can't find Domains tab

Use CLI method (Method 2 above)

Problem: DNS verification fails

- Wait 10 more minutes
- Check nameservers in NameBright:
- ns1.vercel-dns.com
- ns2.vercel-dns.com

Success Checklist

- [] Tested new version at: nextjsspace-ochre.vercel.app
- [] See PTT button in Coach Kai
- [] Added mindfulchampion.com in Vercel
- [] Added www.mindfulchampion.com in Vercel
- [] Clicked “Verify DNS” (after 5-10 min)
- [] Both domains show  in Vercel
- [] www.mindfulchampion.com loads new interface
- [] No “Connecting...” errors in Coach Kai

Need Help?

1. **Test direct URL first:** <https://nextjsspace-ochre.vercel.app>
2. **Take screenshot** of Vercel dashboard
3. **Use CLI method** if UI is confusing
4. **Check DNS propagation** at whatsmydns.net

Key URLs

Purpose	URL
Test NOW	https://nextjsspace-ochre.vercel.app
Vercel Dashboard	https://vercel.com/dashboard
DNS Check	https://www.whatsmydns.net
NameBright	https://www.namebright.com

Pro Tips

1. **Bookmark:** <https://nextjsspace-ochre.vercel.app> (always works)
2. **Test in incognito** to avoid cache issues
3. **Use CLI** if dashboard UI is confusing
4. **Wait patiently** - DNS takes 15-60 min after adding domain

Current Configuration

Item	Status
Vercel Deployment	✓ Ready
NameBright DNS	✓ Configured
Vercel Domain	✗ Need to add
DNS Propagation	⌚ Waiting

Created: January 1, 2026, 4:57 AM

Next Step: Add mindfulchampion.com in Vercel

ETA: 15-60 minutes after adding domain
