PPA Tour (Professional Pickleball Association)

- **Status:** Failed
- **Error:** 403 Client Error: Forbidden for url: <https://ppatour.com/schedule/>
- **Note:** The PPA Tour website is blocking automated access. This may require alternative data fetching methods or API access.

Database Operations

All 14 tournaments were successfully updated in the PostgreSQL PickleballEvent table with current information including:

- Event names and dates
- Location details
- Streaming URLs (where available)
- Organization information
- Event status and details

Next Steps

1. **PPA Tour Access:** Consider implementing an alternative method to fetch PPA Tour data, such as:
 - Requesting API access from PPA Tour
 - Using a different scraping approach with proper headers
 - Manual data entry for critical PPA events
2. **Monitoring:** Continue monitoring the log file at `/home/ubuntu/mindful_champion/logs/tournament_updater.log` for any issues
3. **Next Update:** The updater is scheduled to run again in 6 hours
