Issues & Notes

- **PPA Tour Access Issue:** The PPA Tour website returned a 403 Forbidden error, preventing data retrieval. This may be due to bot protection or access restrictions. The system will retry on the next scheduled run.
- All other sources successfully provided tournament data
- Database connection established and closed successfully
- All operations logged to `/home/ubuntu/mindful_champion/logs/tournament_updater.log`

Next Scheduled Run

The updater runs automatically every 6 hours. Next execution will attempt to fetch PPA Tour data again.
